

The future of **Online Learning Quality:** *Panellist*

Dr Robin Maraj

Executive Director,
SBCS Global Learning
Institute

Dr Maraj is the Founder and Executive Director of SBCS Global Learning Institute. He established SBCS on February 13, 1987 and for over 33 years has functioned as Leader and Executive Director, guiding its evolution and development from a small educational centre, to one of the region's premier tertiary-level institutions for globally recognised and employment-focused programmes. He is a graduate of the University of Ottawa specialising in Information Systems and Management, and in 2007 was awarded an honorary Doctor of Letters for his work in tertiary education by Heriot-Watt University, UK.
